2005 COUNTY COMMITTEE ELECTIONS

(English and Spanish)

Use October 1 - November 3, 2005

"Vote and Make a Difference"

60-second PSA:

If you are a local farmer, rancher or agricultural producer, the U.S. Department of Agriculture encourages you to vote and make a difference!

This year, Farm Service Agency County Committee elections will be held November 4th through December 5th.

F-S-A County Committees give folks like you a voice in how the Agency's programs are administered in their communities.

They play an important role by making decisions on commodity price support loans and payments; conservation and disaster programs; and other important agricultural issues.

Anyone who participates or cooperates in a local F-S-A program, is of legal voting age, and meets eligible voter criteria ...can vote.

Ballots will be mailed no later than November 4th. Eligible producers who do not receive ballots by mail, should contact their local USDA Service Center.

Make a difference in your community by voting in the F-S-A County Committee elections November 4th through December 5th.
